

Windsor Door

America's Choice Since 1964

730 PREMIUM DOOR

The Windsor 730 gives homeowners superior value and outstanding design flexibility. Exceptional construction assures your door will perform trouble free for years to come.

WINDSOR 730 Features

Strong by Design

End and center stiles are constructed with galvanized steel, providing superior strength and resistance to rust corrosion.

Protection from the Elements

Tongue and groove joint construction seals and aligns the sections providing a snug, weather-tight fit.

Sturdy Tog-L-Loc™

This sturdy fastening system ensures leak-proof and rust-proof joints adding years to the life of the door.

Keep the Outdoors Outside

The bulb-type vinyl bottom weather seal fits tight against the floor sealing out moisture, light, and energy leaks.

Smooth Operation

Galvanized steel hinges and self-lubricating rollers are designed for long life and smooth, quiet operation.

Beat the Hot and Cold

An optional CFC-FREE laid-in-place polystyrene foam insulation is bonded to a white vinyl interior to provide a 6.0 R-Value.
