

Windsor Door

America's Choice Since 1964

790 PREMIUM INSULATED DOOR

The Windsor Model 790 is a 2" thick door with steel front, steel back and a solid core of polystyrene insulation. This premium door provides excellent strength, insulation, and security, as well as a pleasing appearance from the front and back. Customize your Model 790 with your choice of eight panel designs, eleven color choices, and a variety of window and decorative insert options.

WINDSOR 790 Features

A Clean Finish

The flush steel interior gives the door a cleaner appearance while adding strength, sound resistance, and energy values.

Protection from the Elements

Tongue and groove joint construction seals and aligns the sections providing a snug, weather-tight fit.

Keep the Outdoors Outside

The bulb-type vinyl bottom weather seal fits tight against the floor sealing out moisture, light, and energy leaks.

Smooth Operation

Galvanized steel hinges and self-lubricating rollers are designed for long life and smooth, quiet operation.

Beat the Hot and Cold

The CFC-Free polystyrene insulation foam is bonded between steel panels providing a 9.0 R-Value. The standard thermal break minimizes transfer of exterior temperatures and drafts, and reduces everyday wear and tear between sections.

Features

- 25ga Front and Backskin
- Thermal Break
- 2" Thick Polystyrene Insulation
- Full Vertical Hinge Plate
